QUALITY MANAGEMENT REVIEW ANALYST

Role Title: Health Care Compliance Specialist II

Position: #00816

Pay Band 5, Level II - Hiring Range: \$40,959 - \$65,000

Closing Date: March 18, 2013

Exciting opportunity for Registered Nurse (RN) to provide training, education and technical assistance to providers of Medicaid funded long-term care services including services to individuals with developmental or intellectual disabilities. The RN will participate in policy/procedure development and develop and conduct quality management activities. These quality reviews will oversee health, safety, and welfare needs of individuals on waivers and assure provider compliance with best practices and regulations while meeting the individuals critical health needs. The qualified RN candidate must have working knowledge of long-term care system or the health care needs of elderly or persons with developmental or intellectual disabilities. Requires a working knowledge of community resources, good communication skills, medical terminology, and clinical standards of treatment. Requires demonstrated ability to analyze clinical data and resolve treatment problems, well as interpret state and federal regulations. Must be comfortable with PC for word processing and data analysis. Requires ability to organize and prioritize work assignments, prepare concise reports, and as a team develop and conduct training. Demonstrated ability to communicate effectively both verbally and in writing with all levels of professional staff internal and external to the organization, as well as maintain flexibility as priorities change. **RN REQUIRED. THIS POSITION REQUIRES FREQUENT TRAVEL.**
